Serial No. 10/670,598

Art Unit: Unknown

Examiner: Unknown

Filed: September 26, 2003

For: Chemical Compositions that Attract Arthropods

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia

Dear Sir:

**RESUBMISSION OF LOST PATENT APPLICATION**

Applicants have been requested by the USPTO Office of Initial Patent Examination (OIPE) to resubmit the above-identified patent application per a telephonic conversation with Ms. Doshie Day on October 18, 2004. The attached is a complete copy of the application as filed along with a copy of the Return Correspondence Receipt Card which has the serial number and filing date. Applicants were inquiring about the status of the application after discovery that the application was not in the PAIR system. The undersigned then contacted the Examiner of the Parent case, Examiner Frank Choi, on October 18, 2004, who could not find record of the application and advised the undersigned to contact OIPE.

Therefore, the following is being submitted:

1. Specification -79 pages
2. Declaration and Power of Attorney -4 pages

3. Information Disclosure Statement PTO 1449-4 pages
4. Disclosure Statement Pursuant to 37 C.F.R. 1.56-3 pages
5. Second Information Disclosure Statement PTO 1449-2 pages
6. Second Disclosure Statement Pursuant to 37 C.F.R. 1.56-2 pages
7. Third Information Disclosure Statement PTO 1449-1 page
8. 49 references
9. Correspondence Receipt Card providing Filing Date and Serial Number

The papers produced are a complete record of all the correspondence between the Office and applicant for the above-identified application. The copy is a complete and accurate copy of the applicants record of all the correspondence between the Office and the applicant and Applicant is not aware of any correspondence between the Office and applicant that is not among applicant's record.

In the event this paper is deemed not timely filed, the undersigned hereby petitions for an appropriate extension of time. The fee for such extension may be charged to Deposit Account 50-2134, along with any additional fees which may be required with respect to this paper.

Respectfully Submitted,

October 19, 2004
